

If approved by voters, the district's Architect/Engineer would design the proposed projects and prepare construction documents and specifications for the projects. Once the projects are designed, the district's Construction Manager will assemble bid packages and publicly advertise and solicit competitive bids for all work. This is required by law, as outlined in the Revised School Code. This process ensures that the district selects the lowest responsive and responsible bidder. All qualified contractors will have an opportunity to attend a pre-bid meeting to obtain additional information and project clarification. All qualified contractors will have the opportunity to participate in the competitive bid process.
